### Budget Overview

Cameron University enters the 2024 - 2025 academic year after successfully concluding a strategic plan and prepared to further expand opportunities and support for students and stakeholders.

Key areas for support that are used to assign budget allocations and to make budget decisions follow.

#### Support for current and prospective students

- Increase student financial support by optimizing allocation and awards of student scholarships, tuition waivers and other forms of support to increase access
- Implement bi-weekly payroll for student workers based on recommendations from the Student Government Association

#### **Support for employees**

- o Continue a strategic compensation update plan for employees
- Respond to changes to the Fair Labor Standards Act
- Modify university organizational structures to create more career advancement opportunities for entry-level professionals

#### Maintain university physical and information technology facilities

- Complete deferred maintenance, construction and renovation projects in Duncan and Lawton to advance student learning opportunities
- Continue roof and other building and vehicle repairs from storm damage incurred on June 15, 2023
- Implement a redesign of campus computer networks to assure greater safety and security

#### **Preparing for the future**

- Continue preparation for an assurance review by the Higher Learning Commission during June 2025
- Identify and employ the next generation of leadership including the university president

Cameron University remains fully committed to increasing and improving student success and student learning inside and outside the classroom while continuing to be an engaged partner with common and career technology education, business, industry, civic and government organizations.

Cameron University provides outstanding student-centered learning opportunities with highly qualified faculty and staff at an exceptional value
